

Annual School year Attendance Contract

Our school operates year round to accommodate the needs of each individual family. Each family will need to choose their schedule when their child is registered, so we can plan accordingly for the summer time. This choice can not be changed, as we will be offering teachers to take the summer off depending upon enrollment.

_____ September - June
10 month attendance with option to renew for
the following school year

_____ September - August (year round care)
